# Aditya Birla SBI Card FAQ's

## 1. What is Aditya Birla SBI Card?

Ans: Aditya Birla SBI Card powered by Visa contactless technology is a fast and convenient way to pay for every day purchases. It is a secure, contactless chip technology designed to help you spend less time at the cash register and give you the freedom to do the things that matter most to you.

## 2. How does the Aditya Birla SBI Card work?

Ans: Step 1: Look for the Visa contactless technology mark and contactless logo at the point of sale.

Step 2: The cashier enters your purchase amount into the terminal. This amount will be displayed on the contactless reader.

Step 3: Hold your card over the reader at close range (less than 4 cm from where the contactless logo appears).

Step 4: Four green indicator lights or a beep sound will indicate when the transaction is complete. A message will also be displayed on the screen indicating the transaction is complete. No PIN is required.

Please note that payment through contactless mode is allowed for a maximum of ₹5000 for a single transaction.

## 3. What are the benefits?

Ans: Contactless payment functionality powered by Visa is specially designed for you for speed, convenience and security. During a contactless transaction the card never leaves your hand. This greatly reduces the risk of card loss and fraud through counterfeit/ skimming. A Visa contactless card has its own, unique, built-in, secret key, which is used to generate a unique code for every Visa contactless transaction, thus making it more secure. There's no dipping, swiping or fumbling for cash. You're ready to go in just a few seconds. Ideal for places like fast-food joints, petrol stations, movie theatre etc. You don't need to look for cash/coins for small ticket everyday purchases. It is also easier to keep track of these expenses.

4. Is there a limit for a contactless transaction amount? Can I set my own limit?

Ans: Payment through the contactless mode is allowed for a limit of maximum ₹5000 for a single transaction. For a contactless transaction PIN is not required.

This limit is common for all customers and setting up of individual limit is not possible. Any transaction amount more than ₹5000 has to be carried out through Look, Wave, Go, a contact transaction (Dip or Swipe) and entering the PIN. You can also choose to do a contact transaction (Dip or Swipe) with PIN for transactions amount below ₹5000.

5. Where can I use my Aditya Birla SBI Card ?

Ans: You can look for the Universal Contactless symbol at the POS machine at merchant outlets. Also, please visit [sbicard.com](http://sbicard.com) for details of merchants enabled for Visa contactless payment acceptance.

6. Can I use my Aditya Birla SBI Card at other merchants (not enabled or contactless payment acceptance) as well?

Ans: Yes, for the merchants not enabled for contactless payment acceptance, you can use this card for a normal dip or swipe transaction.

7. Could I be debited twice if I have more than one contactless card?

Ans: No, as contactless readers will only communicate with one card at a time. If the shop's reader finds more than one contactless card in your wallet or purse, you will be asked to select one card to pay.

8. Could I unknowingly have made a purchase if I walk past the reader?

Ans: No. Your card has to be waved within 4 cm of the card reader for more than half a second and the retailer must have first entered the amount for you to approve. Terminals can only process one payment transaction at a time, therefore reducing transaction errors.

9. Is there any difference in the process for ATM and Internet transactions for the Aditya Birla SBI Card?

Ans: There is no difference in transaction process for ATM or any Card not present transactions including internet transactions. For ATM transactions you need to enter the PIN and for Internet transaction you need to enter your 3D secure PIN or OTP.

10. What happens if my contactless card is stolen – can it be misused?

Ans: Immediately report the loss of your Credit Card to SBI Card to prevent any misuse. Please call our helpline or visit SBI Card App / Website to block your credit card.

Safeguards are in place to mitigate misuse of lost or stolen card by fraudster. The limit for Contactless Card transaction without entering the PIN is ₹5,000, above which the transaction needs PIN for authorization. Please note that your maximum liability on any given date will be limited to available credit limit on your card.

## USE CREDIT RESPONSIBLY

15

While you are empowered to use your credit card the way you wish to, it is best to use it responsibly. As credit card mismanagement is on the rise various financial institutions in the country have set up CIBIL, a body to monitor credit usage and safeguard the interests of member banks and financial institutions. Here is how an ideal credit cycle works:

### WHAT IS CREDIT INFORMATION BUREAU INDIA LIMITED (CIBIL)?

CIBIL is India's first credit information bureau established in 2004. It is a repository of information which contains the credit history of all borrowers CIBIL's members include all leading banks, financial institutions, non-banking financial companies, housing finance companies, state financial corporations and credit card companies.

## **WHAT IS A CREDIT INFORMATION REPORT?**

A Credit Information Report (CIR) is a factual record of a borrower's credit payment history compiled from information received from different credit grantors. Its purpose is to help Banks & Financial Institutions make informed lending decisions - quickly and objectively.

## **HOW DOES THE CREDIT INFORMATION REPORT IMPACT ME?**

When you approach the Banks & Financial Institutions for credit, your application will be evaluated on the basis of your past payment history, existing credit lines and other factors such as income and security. A good past payment history may lead to credit being granted faster and on better terms.

On the other hand, a poor past payment record indicate past delinquency and can lead to denial of credit or extremely expensive credit.

Therefore prudent credit management and financial discipline is a must to ensure a good credit history for enabling you for smooth and faster access to affordable credit in the future.

## **HOW DO I IMPROVE MY CREDIT RECORD?**

- Make at least the minimum amount due on time each month. On time payments will have the most positive significant impact on your credit record.
- Maintain affordable & reasonable levels of credit
- Limit the number of credit cards that you hold. Maintaining a large number of cards can hurt your credit history.
- Do not use your credit card such that your outstanding is very close to your credit limit as this can adversely affect your credit rating.

In case of Additional Cards issued by SBICPSL, the extent of use of all Cards so issued will be limited by the Card Account's credit limit. The Outstanding on the Card Account must not exceed the credit limit at any time. In the event of breach of this provision, the Cardholder will be charged an over limit fee at the prevailing rate. The Cardholder must repay the excess immediately. The over limit fee is subject to change at the discretion of SBICPSL. The credit limit may be revised from time to time at the discretion of SBICPSL.
- 3.5 SBICPSL may, at any time without prior notice, refuse authorisation for a Charge incurred at a Merchant Establishment, and/or restrict or defer the Cardholder's ability to use the Card and/or suspend or cancel the Card and/or repossess (directly or through a Merchant Establishment or any

other third party) the Card if it reasonably believes that it is necessary to do so for proper management of credit or business risk or if the Card or the Card Account is being or likely to be misused or if the Cardholder is in violation of the exchange control/management regulations or any other applicable law or regulation.

- 3.6 The Card may be used for personal purposes and for bona fide business expenses.
- 3.7 The Cardholder shall ensure that he/she maintains a detailed record of his/her transactions on the Internet. SBICPSL is not obliged to make any independent verification with regard to order details provided by the Cardholder and shall be entitled to rely on the details submitted by the Cardholder on the Internet.
- 3.8 Some transactions may attract a service charge, in addition to the amount of the Charge, at certain Merchant Establishments. SBICPSL may also levy charges for collection of cheques, maintenance of the Card Accounts, and for other services that may be rendered to the Cardholder from time to time.
- 3.9 The Cardholder must sign and collect the Charge slip, Cash Advance Slip or Mail Order Coupon at the time of incurring the Charge. Failure to sign a charge slip will not avoid liability for the Charges. The Cardholder must retain his/her own copy of the charge slips. Copies of charge slips will not normally be provided by SBICPSL. However, at its discretion, and upon customer request, SBICPSL may provide copies thereof subject to an additional charge.
- 3.10 In relation to Charges on account of mail order or telephone or electronic commerce (e.g. on the Internet) where a charge slip or voucher may not be available for signature, the Cardholder accepts that in the event of any dispute regarding the authenticity or validity of such a Charge, the Cardholder will first clear his/her Outstanding on the Card and then endeavour to resolve the dispute directly with the concerned Merchant Establishment.
- 3.11 Any charge slip or other payment requisition (electronic or otherwise) received from a Merchant Establishment or any intermediary by SBICPSL for payment shall be conclusive proof that the amount recorded on such charge slip or other requisition was properly incurred by the use of the Card by the Cardholder. Should the Cardholder choose to disagree with a Charge indicated in the monthly statement of account, the same should be communicated to SBICPSL within 10 (ten) days of the statement date, failing which it would be construed that all Charges and the monthly statement of account are entirely in order.
- 3.12 You agree that an electronic record or printout of an electronic record or a copy produced from a microfilm or a scanned /digital image of any document or Charge relating to your Card / Card Account with SBICPSL or produced from data received by SBICPSL electronically from the Merchant Establishment or from you or any intermediary, shall be conclusive evidence of that document or Charge for any purpose.
- 3.13 SBICPSL will not be responsible if any Merchant Establishment refuses to accept the Card or is unable to transact on the Card or levies a surcharge on the Card. However, the Cardholder should notify SBICPSL of this complaint. SBICPSL is not responsible or liable for any defect or deficiency in respect of goods and services charged to the Card. Any dispute should be settled directly by the Cardholder with the Merchant Establishment and failure to do so will not relieve the Cardholder of any obligations to SBICPSL. The existence of a claim or dispute shall not relieve the Cardholder of his/her obligation to pay all Charges and the Cardholder agrees to pay promptly such Charges, notwithstanding any dispute or claim whatsoever. No claim by the Cardholder against a Merchant Establishment will be the subject of a set-off or counterclaim against SBICPSL.
- 3.14 SBICPSL may, at its sole discretion, permit from time to time, its Cardholder to transfer his/her Outstanding balances ("Balance Transfer/s") on other credit cards and credit facilities availed by him /

her from other companies and financial institutions. Balance Transfers will not be accepted from overdue status accounts or where the credit limit has been exceeded or which are greater than the Outstanding balances on such other credit cards and will be limited to such percentage of the available credit limit on the Card as may be determined by SBICPSL. Balance Transfer requests will also not be accepted from other Aditya Birla SBI Card accounts. By choosing to avail of the Balance Transfer facility, the Cardholder authorizes SBICPSL to make payments to companies / financial institutions so designated. SBICPSL, however, reserves its absolute right to refuse any Balance Transfer request. The Cardholder must continue to meet his / her obligations in respect of his / her existing credit facilities, balances of which are the subject of Transfer hereunder, until he/she has received a written intimation from SBICPSL that the Balance Transfer request has been accepted and payments have been made to the companies/financial institutions so designated. SBICPSL will not be liable for any new charges, overdue payments or interests incurred on other credit cards/facilities. SBICPSL may, in its discretion, stipulate additional terms and conditions from time to time.

- 3.15 The Cardholder acknowledges that the privileges, benefits and facilities attached to the Card may be suspended/ withdrawn by SBICPSL at its discretion at any time without liability to the Cardholder. Termination of this Cardholder Agreement shall result automatically in the termination of such privileges, benefits and facilities. SBICPSL shall not be liable in any way to the Cardholder for any defect or deficiency in any privileges, benefits or facilities provided by third party suppliers or Merchant Establishments.
- 3.16 A purchase and a cancellation of goods/services, e.g. air/rail tickets, are two separate transactions. The Cardholder must pay for the purchase transaction as it appears on the statement to avoid incurring finance charges or fees. Credit of refund on account of cancellation will be made to the Card Account (less cancellation charges) only when received from the Merchant Establishment. No cash refund will be given to the Cardholder. If a credit is not posted to the Card Account within a reasonable time, the Cardholder must notify SBICPSL within 30 (thirty) days of cancellation.
- 3.17 The onus of complying with the foreign exchange control / management regulations, baggage rules, EXIM Policy and other applicable laws, as amended from time to time, is solely that of the Cardholder and the Cardholder and shall indemnify and hold harmless SBICPSL from any consequence, loss, damage, expense or any other financial charge that SBICPSL may incur and/or suffer on account of the Cardholder's contravention of any applicable law and regulation. Non-compliance with the regulations shall not be a ground for the Cardholder to delay or refuse the amounts payable to SBICPSL. In case the Card is suspended/ cancelled, whether on account of non-compliance with exchange control/management regulations or otherwise, SBICPSL will not be responsible for any attempted usage of the Card, whether in India or abroad, resulting in the Card being dishonoured and the concerned Merchant Establishment would be entitled to pick up the Card on presentation.
