Using your SBI Card is very simple. Once you have made a purchase at any of the merchant establishments that display the VISA/RuPay sign, please present your card for payment.

The establishment will prepare a charge slip (specimen shown above), very much like a normal bill, which contains the details of the transaction.

- Please verify the amount **A** and ensure that other particulars on your charge slip are correct.
- Kindly add the amount paid as tips and miscellaneous expenses and ensure that the total amount is filled. Check the amount in words (never leave the total blank).
- Please sign on the charge slip at the place indicated **B** in the same way as you have signed on the reverse of your card. You will be returned a copy of the charge slip, the actual bill and your card.
- Before you leave, please ensure that you have received your card.
- The amount you spend on your card will appear in your monthly statement. You can make your SBI Card Payment using any of the 14 payment options available. Normal use of card does not attract any transaction fee or interest charge except in case of late payment / no payment.

The image shows a specimen of an 'AnyBank' charge slip. It contains transaction details such as merchant name (XYZ Store), date, time, and card information. The amount is listed as RS 4000.45. A signature line is provided for the customer. Two red annotations are present: 'A' points to the amount 'RS 4000.45' and 'B' points to the signature line. The slip is labeled 'CUSTOMER COPY' at the bottom.

1. **What is IRCTC SBI Contactless Card?**

IRCTC SBI Contactless Card powered by VISA/RuPay Contactless is a fast and convenient way to pay for every day purchases. It is a secure, contactless chip technology designed to help you spend less time at the cash register and give you the freedom to do the things that matter most to you.

2. **How does the IRCTC SBI Contactless Card work?**

Step 1: Look for the VISA/RuPay contactless technology mark and contactless logo at the point of sale.

Step 2: The cashier enters your purchase amount into the terminal. This amount will be displayed on the contactless reader.

Step 3: Hold your card over the reader or at the POS at close range (less than 4 cm from where the contactless logo appears).

Step 4: A message will also be displayed on the screen indicating the transaction is complete. No PIN is required.

Please note that payment through contactless mode is allowed for a maximum of ₹5,000 for a single transaction.

3. **What are the benefits?**

Contactless payment functionality powered by VISA/RuPay is specially designed for you for speed, convenience and security. During a contactless transaction the card never leaves your hand. This greatly reduces the risk of card loss and fraud through counterfeit/ skimming. A VISA/RuPay contactless card has its own, unique, built-in, secret key, which is used to generate a unique code for every VISA/RuPay contactless transaction, thus making it more secure.

There's no dipping, swiping or fumbling for cash. You're ready to go in just a few seconds. Ideal for places like fast-food joints, petrol stations, movie theatre etc. You don't need to look for cash/coins for small ticket everyday purchases. It is also easier to keep track of these expenses.

4. **Is there a limit for a contactless transaction amount? Can I set my own Limit?**

Payment through the contactless mode is allowed for a maximum of ₹5,000 for a single transaction. For a contactless transaction PIN is not required.

This limit is common for all customers and setting up of individual limits is not possible.

Any transaction amount more than ₹5,000 has to be carried out through a contact transaction (Dip or Swipe) and entering the PIN.

You can also choose to do a contact transaction (Dip or Swipe) with PIN for transactions amount below ₹5,000.

5. **Where can I use my IRCTC SBI Contactless card?**

You can look for the Universal Contactless symbol at the POS machine at merchant outlets. Also please visit www.sbicard.com for details of merchants enabled for VISA/RuPay Contactless payment acceptance.

6. **Can I use my IRCTC SBI Contactless card at other merchants (not enabled for contactless payment acceptance) as well?**

Yes, for the merchants not enabled for contactless payment acceptance, you can use this card for a normal dip or swipe transaction.

7. **Could I be debited twice if I have more than one contactless card?**

No, contactless readers communicate with one card at a time. If the merchant's reader finds more than one contactless card in your wallet or purse, you will be asked to select one card to pay.

8. **Could I unknowingly have made a purchase if I walk past the reader?**

No, your card has to be waved within 4cm of the card reader for more than half a second and the retailer must enter the amount for you to approve.

Terminals can only process one payment transaction at a time, therefore reducing transaction errors.

9. **Is there any difference in the process for ATM and Internet transactions for this contactless Credit Card?**

There is no difference in transaction process for ATM or any Card not Present Transactions including Internet transactions.

For ATM transactions you need to enter the PIN and for Internet transaction you need to enter your 3D secure PIN or OTP.

10. **What happens if my contactless card is stolen – can it be misused?**

Immediately report the loss of your Credit Card to SBI Card to prevent any misuse. Please call our helpline or visit SBI Card App / Website to block your credit card.

Safeguards are in place to mitigate misuse of lost or stolen card by fraudster. The limit for Contactless Card transaction without entering the PIN is ₹5,000, above which the transaction needs PIN for authorization. Please note that your maximum liability on any given date will be limited to available credit limit on your card.

As credit card mismanagement is on the rise various financial institutions in the country have set up **CIBIL**, a body to monitor credit usage and safeguard the interests of member banks and financial institutions. Here is how an ideal credit cycle works:

What is Credit Information Bureau India Limited (CIBIL)?

CIBIL is India's first credit information bureau established in 2004. It is a repository of information which contains the credit history of all borrowers CIBIL's members include all leading banks, financial institutions, non-banking financial companies, housing finance companies, state financial corporations and credit card companies

What is a Credit Information Report?

A Credit Information Report (CIR) is a factual record of a borrower's credit payment history compiled from information received from different credit grantors. Its purpose is to help Banks & Financial Institutions make informed lending decisions - quickly and objectively.

How does the credit information report impact me?

When you approach the Banks & Financial Institutions for credit, your application will be evaluated on the basis of your past payment history, existing credit lines and other factors such as income and security. A good past payment history may lead to credit being granted faster and on better terms.

On the other hand, a poor past payment record indicate past delinquency and can lead to denial of credit or extremely expensive credit.

Therefore prudent credit management and financial discipline is a must to ensure a good credit history for enabling you for smooth and faster access to affordable credit in the future.

How do I improve my credit record?

- Make at least the minimum amount due on time each month. On time payments will have the most positive significant impact on your credit record.
- Maintain affordable & reasonable levels of credit

- Limit the number of credit cards that you hold. Maintaining a large number of cards can hurt your credit history.
- Do not use your credit card such that your outstanding is very close to your credit limit as this can adversely affect your credit rating.

How can you maintain a good credit history?

There are a number of things you can do to build and maintain a good credit history. Here are some important do's and don'ts :

Do's

- Make your credit card payments on time
- Pay off your “Minimum Amount Due” on your card every month

- Don't wait to report any unauthorized transactions on your account
- Don't open new credit accounts for the purpose of debit consolidation without closing existing accounts

- Avoid scratching the magnetic strip

- 3.11 Any chargeslip or other payment requisition (electronic or otherwise) received from a Merchant Establishment or any intermediary by SBICPSL for payment shall be conclusive proof that the amount recorded on such chargeslip or other requisition was properly incurred by the use of the Card by the Cardholder. Should the Cardholder choose to disagree with a Charge indicated in the monthly statement of account, the same should be communicated to SBICPSL within 10 (ten) days of the statement date, failing which it would be construed that all Charges and the monthly statement of account are entirely in order.
- 3.12 You agree that an electronic record or printout of an electronic record or a copy produced from a microfilm or a scanned /digital image of any document or Charge relating to your Card / Card Account with SBICPSL or produced from data received by SBICPSL electronically from the Merchant Establishment or from you or any intermediary, shall be conclusive evidence of that document or Charge for any purpose.

Any dispute should be settled directly by the Cardholder with the Merchant Establishment and failure to do so will not relieve the Cardholder of any obligations to SBICPSL. The existence of a claim or dispute shall not relieve the Cardholder of his/her obligation to pay all Charges and the Cardholder agrees to pay promptly such Charges, notwithstanding any dispute or claim whatsoever. No claim by the Cardholder against a Merchant Establishment will be the subject of a set-off or counterclaim against SBICPSL.

- 3.14 SBICPSL may, at its sole discretion, permit from time to time, its Cardholder to transfer his/her Outstanding balances ("Balance Transfer/s") on other credit cards and credit facilities availed by him / her from other companies and financial institutions. By choosing to avail of the Balance Transfer facility, the Cardholder authorizes SBICPSL to make payments to companies / financial institutions so designated. SBICPSL, however, reserves its absolute right to refuse any Balance Transfer request. The Cardholder must continue to meet his / her obligations in respect of his / her existing credit facilities, balances of which are the subject of Transfer hereunder, until he/she has received a written intimation from SBICPSL that the Balance Transfer request has been accepted and payments have been made to the companies/financial institutions so designated. SBICPSL will not be liable for any new charges, overdue payments or interests incurred on other credit cards/facilities. SBICPSL may, in its discretion, stipulate additional terms and conditions from time to time.

- 3.16 A purchase and a cancellation of goods/services, e.g. air/rail tickets, are two separate transactions. Credit of refund on account of cancellation will be made to the Card Account (less cancellation charges) only when received from the Merchant Establishment. No cash refund will be given to the Cardholder. If a credit is not posted to the Card Account within a reasonable time, the Cardholder must notify SBICPSL within 30 (thirty) days of cancellation.
- 3.17 The onus of complying with the foreign exchange control / management regulations, baggage rules, EXIM Policy and other applicable laws, as amended from time to time, is solely that of the Cardholder and the Cardholder shall indemnify and hold harmless SBICPSL from any consequence, loss, damage, expense or any other financial charge that SBICPSL may incur and/or suffer on account of the Cardholder's contravention of any applicable law and regulation. Non-compliance with the regulations shall not be a ground for the Cardholder to delay or refuse the amounts payable to SBICPSL. In case the Card is suspended/cancelled, whether on account of non-compliance with exchange control/management regulations or otherwise, SBICPSL will not be responsible for any attempted usage of the Card, whether in India or abroad, resulting in the Card being dishonoured and the concerned Merchant Establishment would be entitled to pick up the Card on presentation.

Example:

Ticket Base Fare = Rs. 300 and Service charges = Rs. 23

So the cardholder paid/ redeemed 323 points at the time of booking

On cancellation of ticket, the railways refunded Rs. 205

So Points refund is calculated as follows:

$$\frac{(\text{Paid Point at the time of booking with service tax})}{\text{Base Price of Ticket (without service tax)}} \times (0.5 * \text{refund amount received from railway based on cancellation rules})$$

$$(323/300) \times (0.5 \times 205) = 110 \text{ approx.}$$
