Use Credit Responsibly

13

While you are empowered to use your credit card the way you wish to, it is best to use it responsibly. As credit card mismanagement is on the rise various financial institutions in the country have set up CIBIL, a body to monitor credit usage and safeguard the interests of member banks and financial institutions. Here is how an ideal credit cycle works:

What is Credit Information Bureau India Limited (CIBIL)?

CIBIL is India's first credit information bureau established in 2004. It is a repository of information which contains the credit history of all borrowers CIBIL's members include all leading banks, financial institutions, non-banking financial companies, housing finance companies, state financial corporations and credit card companies

What is a Credit Information Report?

A Credit Information Report (CIR) is a factual record of a borrower's credit payment history compiled from information received from different credit grantors. Its purpose is to help Banks & Financial Institutions make informed lending decisions - quickly and objectively.

How does the credit information report impact me?

When you approach the Banks & Financial Institutions for credit, your application will be evaluated on the basis of your past payment history, existing credit lines and other factors such as income and security. A good past payment history may lead to credit being granted faster and on better terms.

On the other hand, a poor past payment record indicate past delinquency and can lead to denial of credit or extremely expensive credit.

Therefore prudent credit management and financial discipline is a must to ensure a good credit history for enabling you for smooth and faster access to affordable credit in the future.

How do I improve my credit record?

- Make at least the minimum amount due on time each month. On time payments will have the most positive significant impact on your credit record.
- Maintain affordable & reasonable levels of credit
- Limit the number of credit cards that you hold. Maintaining a large number of cards can hurt your credit history.
- Do not use your credit card such that your outstanding is very close to your credit limit as this can adversely affect your credit rating.

How can you maintain a good credit history?

There are a number of things you can do to build and maintain a good credit history. Here are some important do's and don'ts :

Do's

- Make your credit card payments on time
- Pay off your “Minimum Amount Due” on your card every month
- Contact your creditors if you are having trouble making payments
- Make sure that your monthly account statement is correct
- Read the statements and other material you receive from your credit card company carefully
- Deal with companies you know and trust
- Pay attention to late payments, calls or letters from credit agencies, and denied or revoked credit. These are all signs that your credit history may be in jeopardy!

Don'ts

- Do not pay late
- Do not sign a credit contract until you read and understand it
- Don't go over the credit limit on your credit card
- Don't wait to report any unauthorized transactions on your account
- Don't open new credit accounts for the purpose of debt consolidation without closing existing accounts
- Do not miss reviewing your monthly statements
- Do not close credit cards in an improper manner, it can hurt your credit score

Secure your Card

Taking care of your card

- The black magnetic strip contains important information about your card and needs special handling. Do not keep your card in an area where there is a continuous magnetic field. Do not leave it on top of your television set or near any electronic appliance
- Avoid scratching the magnetic strip
- Do not place two cards with the magnetic strips together

- Do not bend the card
- Keep your card away from heat and direct sunlight, e.g. do not leave it in a car parked in sun

These simple precautions will help protect the important information stored on the magnetic strip and ensure that you do not face any problems while using your card.

Lost or Stolen

- Please call the SBI Card Helpline and report the loss/theft or the VISA/RuPay Helpline abroad to report the loss so that we can block your account immediately
- Report the loss to the police and collect a copy of the complaint/FIR immediately

Frequently Asked Questions (FAQs)

1. What is a Contactless Credit Card?

Contactless Credit Card powered by VISA payWave/RuPay Contactless is a fast and convenient way to pay for every day purchases. It is a secure, contactless chip technology designed to help you spend less time at the cash register and give you the freedom to do the things that matter most to you.

2. How does the Contactless Credit Card work?

Step 1: Look for the VISA payWave/RuPay Contactless mark and contactless logo at the point of sale.

Step 2: The cashier enters your purchase amount into the terminal. This amount will be displayed on the contactless reader.

Step 3: Hold your card over the reader or at the POS at close range (less than 4 cm from where the contactless logo appears).

Step 4: Four green indicator lights or a beep sound will indicate that the transaction is complete. A message will also be displayed on the screen indicating the transaction is complete. No PIN is required.

Please note that payment through contactless mode is allowed for a maximum of ₹5,000 for a single transaction.

3. What are the benefits?

Contactless payment functionality powered by VISA payWave/RuPay Contactless is specially designed for you for speed, convenience and security. There's no dipping, swiping, entering PIN or fumbling for cash. You're ready to go in just a few seconds. Ideal for places like fast-food joints, petrol stations, movie theatres etc.

During a contactless transaction the card never leaves your hand. This greatly reduces the risk of card loss and fraud through counterfeit/skimming. A VISA payWave/RuPay Contactless card has its own, unique, built-in, secret key, which is used to generate a unique code for every VISA payWave/RuPay Contactless transaction, thus making it more secure. You don't need to look for cash/coins for small ticket everyday purchases. It is also easier to keep track of these expenses.

4. Is there a limit for a contactless transaction amount? Can I set my own Limit?

Payment through the contactless mode is allowed for a maximum of ₹5,000 for a single transaction. For a contactless transaction PIN is not required. This limit is common for all customers and setting up of individual limits is not possible. Any transaction amount more than ₹5,000 has to be carried out through a contact transaction (Dip or Swipe) and entering the PIN.

You can also choose to do a contact transaction (Dip or Swipe) with PIN for transactions amount below ₹5,000.

5. Where can I use my Contactless Credit Card?

You can look for the Universal Contactless symbol at the POS machine at merchant outlets. Also please visit www.sbicard.com for details of merchants enabled for VISA payWave/RuPay Contactless payment acceptance.

6. Can I use my Contactless Credit Card at other merchants (not enabled for contactless payment acceptance) as well?

Yes, for the merchants not enabled for contactless payment acceptance, you can use this card for a normal dip or swipe transaction.

7. Could I be debited twice if I have more than one contactless card?

No, contactless readers communicate with one card at a time. If the shop's reader finds more than one contactless card in your wallet or purse, you will be asked to select one card to pay.

8. Could I unknowingly have made a purchase if I walk past the reader?

No, your card has to be waved within 4cm of the card reader for more than half a second and the retailer must enter the amount for you to approve. Terminals can only process one payment transaction at a time, therefore reducing transaction errors.

9. Is there any difference in the process for ATM and Internet transactions for this contactless Credit Card?

There is no difference in transaction process for ATM or any Card not Present Transactions including Internet transactions. For ATM transactions you need to enter the PIN and for Internet transaction you need to enter your 3D secure PIN or OTP.

10. What happens if my contactless card is stolen – can it be misused?

Immediately report the loss of your Credit Card to SBI Card to prevent any misuse. Please call our helpline or visit SBI Card App / Website to block your credit card.

Safeguards are in place to mitigate misuse of lost or stolen card by fraudster. The limit for Contactless Card transaction without entering the PIN is ₹5,000, above which the transaction needs PIN for authorization. Please note that your maximum liability on any given date will be limited to available credit limit on your card.

The Primary Cardholder may at any time request cancellation of any Additional Card(s) but will continue to remain liable for any Charges on such Additional Card(s).

3. USE OF THE CARD

- 3.1 The Card is valid for use in India and internationally as per usage restrictions, entitlements and other conditions stipulated by Reserve Bank of India ("RBI") or any other Government authority from time to time.
- 3.2 The Card is not valid for payment in foreign exchange in Nepal and Bhutan. The currency of transaction on the Card in Nepal and Bhutan shall be the local currency or Indian Rupee.
- 3.3 The Cardholder (including the Additional Cardholder) shall strictly comply with all requirements of the foreign exchange control/management regulations issued by RBI from time to time and in the event of non-compliance, the Cardholder will be liable for action under the applicable exchange control/management regulations. Moreover, the Cardholder may be debarred from holding the Card at the instance of RBI or SBICPSL.
- 3.4 Use of the Card at Merchant Establishments will be limited by the credit limit assigned to each Card Account by SBICPSL from time to time. In case of Additional Cards issued by SBICPSL, the extent of use of all Cards so issued will be limited by the Card Account's credit limit. The Outstanding on the Card Account must not exceed the credit limit at any time. In the event of breach of this provision, the Cardholder will be charged an over limit fee at the prevailing rate. The Cardholder must repay the excess immediately. The over limit fee is subject to change at the discretion of SBICPSL. The credit limit may be revised from time to time at the discretion of SBICPSL.
- 3.5 SBICPSL may, at any time without prior notice, refuse authorisation for a Charge incurred at a Merchant Establishment, and/or restrict or defer the Cardholder's ability to use the Card and/or suspend or cancel the Card and/or repossess (directly or through a Merchant Establishment or any other third party) the Card if it reasonably believes that it is necessary to do so for proper management of credit or business risk or if the Card or the Card Account is being or likely to be misused or if the Cardholder is in violation of the exchange control/management regulations or any other applicable law or regulation.
- 3.6 The Card may be used for personal purposes and for bona fide business expenses.
- 3.7 The Cardholder shall ensure that he/she maintains a detailed record of his/her transactions on the Internet. SBICPSL is not obliged to make any independent verification with regard to order details

provided by the Cardholder and shall be entitled to rely on the details submitted by the Cardholder on the Internet.

- 3.8 Some transactions may attract a service charge, in addition to the amount of the Charge, at certain Merchant Establishments. SBICPSL may also levy charges for collection of cheques, maintenance of the Card Accounts, and for other services that may be rendered to the Cardholder from time to time.
- 3.9 The Cardholder must sign and collect the Chargeslip, Cash Advance Slip or Mail Order Coupon at the time of incurring the Charge. Failure to sign a chargeslip will not avoid liability for the Charges. The Cardholder must retain his/her own copy of the chargeslips. Copies of chargeslips will not normally be provided by SBICPSL. However, at its discretion, and upon customer request, SBICPSL may provide copies thereof subject to an additional charge.
- 3.10 In relation to Charges on account of mail order or telephone or electronic commerce (e.g. on the Internet) where a chargeslip or voucher may not be available for signature, the Cardholder accepts that in the event of any dispute regarding the authenticity or validity of such a Charge, the Cardholder will first clear his/her Outstanding on the Card and then endeavour to resolve the dispute directly with the concerned Merchant Establishment.
- 3.11 Any chargeslip or other payment requisition (electronic or otherwise) received from a Merchant Establishment or any intermediary by SBICPSL for payment shall be conclusive proof that the amount recorded on such chargeslip or other requisition was properly incurred by the use of the Card by the Cardholder. Should the Cardholder choose to disagree with a Charge indicated in the monthly statement of account, the same should be communicated to SBICPSL within 10 (ten) days of the statement date, failing which it would be construed that all Charges and the monthly statement of account are entirely in order.
- 3.12 You agree that an electronic record or printout of an electronic record or a copy produced from a microfilm or a scanned/digital image of any document or Charge relating to your Card/Card Account with SBICPSL or produced from data received by SBICPSL electronically from the Merchant Establishment or from you or any intermediary, shall be conclusive evidence of that document or Charge for any purpose.
- 3.13 SBICPSL will not be responsible if any Merchant Establishment refuses to accept the Card or is unable to transact on the Card or levies a surcharge on the Card. However, the Cardholder should notify SBICPSL of this complaint. SBICPSL is not responsible or liable for any defect or deficiency in respect of goods and services charged to the Card. Any dispute should be settled directly by the Cardholder with the Merchant Establishment and failure to do so will not relieve the Cardholder of any obligations to SBICPSL. The existence of a claim or dispute shall not relieve the Cardholder of his/her obligation to pay all Charges and the Cardholder agrees to pay promptly such Charges, notwithstanding any dispute or claim whatsoever. No claim by the Cardholder against a Merchant Establishment will be the subject of a set-off or counterclaim against SBICPSL.
- 3.14 SBICPSL may, at its sole discretion, permit from time to time, its Cardholder to transfer his/her Outstanding balances ("Balance Transfer/s") on other credit cards and credit facilities availed by him/her from other companies and financial institutions. Balance Transfers will not be accepted from overdue status accounts or where the credit limit has been exceeded or which are greater than the Outstanding balances on such other credit cards and will be limited to such percentage of the available credit limit on the Card as may be determined by SBICPSL. Balance Transfer requests will also not be accepted from other SBI card accounts. By choosing to avail of the Balance Transfer facility, the Cardholder authorizes SBICPSL to make payments to companies/financial institutions so designated. SBICPSL, however, reserves its absolute right to refuse any Balance Transfer request. The Cardholder must continue to meet his/her obligations in respect of his/her existing credit facilities, balances of

which are the subject of Transfer hereunder, until he/she has received a written intimation from SBICPSL that the Balance Transfer request has been accepted and payments have been made to the companies/financial institutions so designated. SBICPSL will not be liable for any new charges, overdue payments or interests incurred on other credit cards/facilities. SBICPSL may, in its discretion, stipulate additional terms and conditions from time to time.

- 3.15 The Cardholder acknowledges that the privileges, benefits and facilities attached to the Card may be suspended/withdrawn by SBICPSL at its discretion at any time without liability to the Cardholder. Termination of this Cardholder Agreement shall result automatically in the termination of such privileges, benefits and facilities. SBICPSL shall not be liable in any way to the Cardholder for any defect or deficiency in any privileges, benefits or facilities provided by third party suppliers or Merchant Establishments.
- 3.16 A purchase and a cancellation of goods/services, e.g. air/rail tickets, are two separate transactions. The Cardholder must pay for the purchase transaction as it appears on the statement to avoid incurring finance charges or fees. Credit of refund on account of cancellation will be made to the Card Account (less cancellation charges) only when received from the Merchant Establishment. No cash refund will be given to the Cardholder. If a credit is not posted to the Card Account within a reasonable time, the Cardholder must notify SBICPSL within 30 (thirty) days of cancellation.
- 3.17 The onus of complying with the foreign exchange control/management regulations, baggage rules, EXIM Policy and other applicable laws, as amended from time to time, is solely that of the Cardholder and the Cardholder shall indemnify and hold harmless SBICPSL from any consequence, loss, damage, expense or any other financial charge that SBICPSL may incur and/or suffer on account of the Cardholder's contravention of any applicable law and regulation. Non-compliance with the regulations shall not be a ground for the Cardholder to delay or refuse the amounts payable to SBICPSL. In case the Card is suspended/cancelled, whether on account of non-compliance with exchange control/management regulations or otherwise, SBICPSL will not be responsible for any attempted usage of the Card, whether in India or abroad, resulting in the Card being dishonoured and the concerned Merchant Establishment would be entitled to pick up the Card on presentation.

4. CASH ADVANCES

The Cardholder may be permitted to obtain a Cash Advance from designated branches of State Bank of India, Automated Teller Machines (ATMs) and/or other permitted establishments subject to applicable terms and requirements imposed by SBICPSL from time to time. A minimum and/or maximum amount of Cash Advance that can be accessed on the Card in a single charge or in a single business day may be specified by SBICPSL periodically. The total amount that will be available for cash withdrawal at any point in time will be governed by cash limits set up periodically which will be disclosed to the Cardholder in the monthly statement of account. A cash advance fee will be levied on each such Charge and will be billed to the Cardholder.

5. INSURANCE BENEFITS

- 5.1 Insurance is optional and a subject matter of solicitation. In the event any insurance cover or benefit of any insurance cover is made available to the Cardholder by an insurance company at the request of SBICPSL, the Cardholder specifically acknowledges that SBICPSL will not be liable in any manner whatsoever and that the insurance company will be solely liable for all claims thereunder. The Cardholder shall not hold SBICPSL responsible for any matter arising out of or in connection with such insurance cover, whether for or in respect of any deficiency or defect in such insurance cover. Recovery or payment of compensation, processing or settlement of claims or any other matter in relation to the insurance cover shall be addressed to and resolved directly by the Cardholder with the insurance company.

- 5.2 The Cardholder further acknowledges that the insurance cover so provided will be available to the Cardholder only as per the terms of the relevant insurance policy in force and only so long as the Card Account is maintained in good standing. On the Card being suspended or cancelled for whatever reason, the benefit of such insurance cover shall automatically and ipso facto cease to be available from the date of suspension/cancellation of the Card Account.
- 5.3 The Cardholder hereby authorizes SBICPSL to require the insurance company to settle any Outstanding on his/her Card Account before payment of any compensation or claim to his/her heirs, nominees, beneficiaries, etc., under the insurance policy.

6. BILLING & SETTLEMENT

- 6.1 The monthly statements of account shall be sent to the Cardholder by mail unless the Cardholder specifically opts for such statements to be sent by e-mail, in which case they shall be sent at the e-mail address specified by him/her in the application or by a separate intimation. Additionally, the Cardholder may also access his/her Card Account on the Internet, as and when so enabled by SBICPSL, at its website by using his/her PIN to check his/her statement of account. If the Cardholder experiences any difficulty in accessing the electronically delivered statement of account, he/she shall promptly inform SBICPSL. The Cardholder agrees to access his/her aforesaid e-mail account at regular intervals of time. The Cardholder will not hold SBICPSL responsible for his/her not having access, for any reason whatsoever, to the information and statements of account sent to him/her via e-mail. Failure on the part of the Cardholder to receive the statement of account electronically (by e-mail or through access to the Card Account on the Internet) will not avoid his/her liability for the Charges incurred on the Card and the Cardholder shall be liable to make payment for the Charges within 30 days of incurring the Charge on the basis of his/her own record of the transaction or earlier if requested by SBICPSL.
- 6.2 SBICPSL will debit the Card Account for all the Charges incurred by use of the Card and provided for in the Agreement. Charges in respect of International Transactions incurred in foreign currency will be segregated from the Indian Rupee transactions in the statement of account. All Charges (including those in respect of International Transactions) shall be billed in Indian Rupees. The Cardholder agrees and hereby authorises SBICPSL to convert Charges in respect of International Transactions incurred in foreign currency to Indian Rupees at the applicable foreign exchange rates plus any service charges. SBICPSL will credit the Card Account for all payments made by the Cardholder to SBICPSL and also for any credit received from the Merchant Establishments in favour of the Cardholder. When the Card Account has a debit(s) or a credit(s) to be applied over a statement period as determined by SBICPSL from time to time, SBICPSL will send a monthly statement of account to the Cardholder reflecting such debit(s)/credit(s). The Cardholder's obligations and liabilities under this Agreement will not be affected in any way by non-receipt of the monthly statement of account and the Cardholder shall be liable to settle the Outstanding balance on the Card in due time on the basis of his/her chargeslip, noting, record or any other evidence (electronic or otherwise) of the Charge.
- 6.3 The monthly statement of account will set out, inter alia, the Outstanding balance on the Card Account, minimum payment required to be made and the due date for payment. For calculation of Minimum Amount Due (MAD) and order of payment settlement, please refer to the Most Important Terms and Conditions (MITC) provided on SBI Card's Website: SBI Card Website > Home > Most Important Terms & Condition.
- 6.4 (a) Unless the interest-free period applies as set out below, SBICPSL will levy a finance charge on any new purchase (and any related debited charge) from the day on which it is debited to the Card Account. The interest-free period for a purchase (and any related debited charge) in any statement period will apply if the Outstanding balance on the Card Account for the previous statement period

(if any) is paid in full by its due date. If the Outstanding balance on the Card Account is not paid in full by its due date, a finance charge will be levied on any new purchase (and any related debited charge) from the day on which the purchase (and any related debited charge) is debited to the Card Account and on the Outstanding account balance on the Card Account from the first day of the last statement period. SBICPSL will charge interest on a Cash Advance from the day on which the Cash Advance is debited to the Card Account.

- (b) SBICPSL will ordinarily levy a finance charge on the Purchase Balance Outstanding on the Card Account on a daily basis by applying its current daily percentage rate to the amount of the Purchase Balance Outstanding at the end of each day. SBICPSL will levy a finance charge on Cash Advance balances on a daily basis by applying its current daily percentage rate to the amount of the Cash Advance balance at the end of each day.
 - (c) The finance charge as above, will continue to be payable after termination of this Agreement or closure of the Card Account till Outstanding on the Card Account is cleared in full.
 - (d) SBICPSL may at any time, under intimation to the Cardholder, vary the finance charge to take into account prevailing interest rates, market forces and credit and business risks.
 - (e) No interest will be paid on any credit balances in the Card Account.
- 6.5 (a) The Cardholder must make payment to SBICPSL each month of at least the minimum amount due as described in clause 6.3 hereinbefore.
- (b) Punctual payment is essential and it is a condition of this Agreement that all payments must reach SBICPSL on or before the payment due date indicated in the monthly statement of account but not later than 30 days from the date of incurring the Charge in any case.
 - (c) If the minimum amount due is not paid by the payment due date, a late payment fee will be debited to the Card Account.
 - (d) All payments made by cheque/draft are subject to realisation. Outstation cheques/drafts are subject to a collection charge at the prevailing rate, which is subject to change at the discretion of SBICPSL.
 - (e) Should any payment instrument be subsequently dishonoured, a fee will be charged respect of a dishonoured instrument. SBICPSL also reserves the right to initiate all appropriate legal action(s). Please refer to MITC for the exact fees for cheque dishonour fee and other related charges.
- 6.6 Duplicate monthly statements of account will be provided by SBICPSL to the Cardholder only for a period of six months preceding the Cardholder's request and would be subject to a service charge.
- 6.7 The Cardholder will be liable for all Charges incurred and all other obligations under the terms and conditions of this Cardholder Agreement until the Card Account is repaid in full.
- 6.8 "SBI Card may, at its sole discretion and in accordance to its internal policy and procedures or on request from the Card Holder may waive/reverse interest, fees or other charges which had been charged or levied by it to the Card Holder"

6.9 SMA & NPA

• Special Mention Accounts ('SMA'):

In furtherance to Regulatory requirements, SBI Card is required to identify incipient stress in the account by creating a sub-asset category viz. 'Special Mention Accounts ('SMA')' with the three sub-categories as given in the table below.

Example regarding classification of SMA:

SMA Sub-categories	Basis for classification [Principal or interest payment or any other amount wholly or partly overdue]
SMA – 0	Up to 30 days from Payment Due Date ('PDD').
SMA – 1	More than 30 days & up to 60 days from PDD
SMA – 2	More than 60 days & up to 90 days from PDD

If Payment Due Date ('PDD') of a Credit Card account is 31 March 2021, and 'Minimum Amount Due' ('MAD') is not received before this date then after the due date, the account will be mentioned as SMA – 0.

If the account continues to remain overdue beyond 30 days from PDD, i.e., beyond 30 April 2021 then this account shall get tagged as SMA-1.

Similarly, if the account continues to remain overdue, beyond 60 days from PDD, i.e., beyond 30 May 2021 then this account shall get tagged as SMA – 2.

• Non-Performing Asset ('NPA'):

A credit card account will be treated as non-performing asset ('NPA') if the Minimum Amount Due, as mentioned in the statement, is not paid fully within ninety (90) days from the PDD mentioned in the statement. Further, any account where a settlement or restructuring arrangement has been availed will be classified as NPA. An account continues to be classified as NPA till the entire arrears of interest and principal are paid. Settlement and restructured accounts do not qualify for an upgrade. Finally, if any customer has even one credit card with SBI Card tagged as NPA, all cards of the customer will be classified as NPA.

Example regarding classification of an account as NPA:

If Payment Due Date ('PDD') of a Credit Card account is 31 March 2021, and Minimum Amount Due as mentioned in the statement has not been fully paid by the customer within a period of 90 days from the PDD, i.e., till 29 June 2021, the lender shall consider the credit card account as NPA.

- 6.10 "Notwithstanding anything inconsistent contained in any other clause of the Cardholder Agreement/Most Important Terms & Conditions ("MITC"), it is further stipulated that if the cardholder does not pay the minimum amount due for a period of 180 days, then the credit card services being provided by SBI Cards under this Agreement shall stand terminated, however the Cardholder shall continue to be liable for any unpaid sum as on the 180th day plus any finance charges/delayed payment interest that SBI Cards may, at its sole discretion and option and in accordance to its various internal policies and procedures, levy for the period post 180 days after the payment due date."

7. LOST OR STOLEN CARDS

- 7.1 In the event the Card, Card number or the PIN is lost, stolen or misused by another person, the Cardholder must report the occurrence to SBICPSL. Although loss, theft or misuse may be reported by

- 7.4 The Cardholder will not be liable for transactions made on the Card after receipt by SBICPSL of the written notice of the loss/theft/misuse.
- 7.5 On the loss of the Card, SBICPSL may at its sole discretion issue a replacement Card at a fee. In the event the Cardholder subsequently recovers the Card, the recovered Card must not be used and must be cut in half diagonally and returned immediately to SBICPSL and adequate care taken to prevent its misuse.
- 7.6 The Cardholder is responsible for the security of the Card, Card number and the PIN and shall take all steps towards ensuring the safekeeping thereof. In the event SBICPSL determines that the aforementioned steps are questionable (on account of the Cardholder's negligence, malafides, etc.), financial liability on account of the lost, stolen or misused Card/Card number/PIN shall be borne by the Cardholder and could result in cancellation of the Card Account.
- 7.7 As per Reserve Bank of India (RBI) mandate, dated 06 Jul'17 on Customer Protection - Limiting Liability of Customers in Unauthorised Electronic Banking Transactions, a policy is designed to ensure customer protection relating to unauthorized credit card transactions. The same is updated on SBI Card's website under "Customer Grievance Redressal Policy". The policy is based on the principles of transparency and fairness in treatment of customers.
