# CASHBACK SBI Card FAQ's

1. What is CASHBACK SBI Card?

Ans: CASHBACK SBI Card powered by Visa contactless technology is a fast and convenient way to pay for every day purchases. It is a secure, contactless chip technology designed to help you spend less time at the cash register and give you the freedom to do the things that matter most to you.

2. How does the CASHBACK SBI Card work?

Ans: Step 1: Look for the Visa contactless technology mark and contactless logo at the point of sale.

Step 2: The cashier enters your purchase amount into the terminal. This amount will be displayed on the contactless reader.

Step 3: Hold your card over the reader at close range (less than 4 cm from where the contactless logo appears).

Step 4: Four green indicator lights or a beep sound will indicate when the transaction is complete. A message will also be displayed on the screen indicating the transaction is complete. No PIN is required.

Please note that payment through contactless mode is allowed for a maximum of ₹5000 for a single transaction.

3. What are the benefits?

Ans: Contactless payment functionality powered by Visa is specially designed for you for speed, convenience and security. During a contactless transaction the card never leaves your hand. This greatly reduces the risk of card loss and fraud through counterfeit/ skimming. A Visa contactless card has its own, unique, built-in, secret key, which is used to generate a unique code for every Visa contactless transaction, thus making it more secure. There's no dipping, swiping or fumbling for cash. You're ready to go in just a few seconds. Ideal for places like fast-food joints, petrol stations, movie theatre etc. You don't need to look for cash/coins for small ticket everyday purchases. It is also easier to keep track of these expenses.

4. Is there a limit for a contactless transaction amount? Can I set my own limit?

Ans: Payment through the contactless mode is allowed for a limit of maximum ₹5000 for a single transaction. For a contactless transaction PIN is not required.

This limit is common for all customers and setting up of individual limit is not possible. Any transaction amount more than ₹5000 has to be carried out through Look, Wave, Go, a contact transaction (Dip or Swipe) and entering the PIN. You can also choose to do a contact transaction (Dip or Swipe) with PIN for transactions amount below ₹5000.

5. Where can I use my CASHBACK SBI Card ?

Ans: You can look for the Universal Contactless symbol at the Point of Sale machine at merchant outlets. Also, please visit [sbicard.com](http://sbicard.com) for details of merchants enabled for Visa contactless payment acceptance.

6. Can I use my CASHBACK SBI Card at other merchants (not enabled or contactless payment acceptance) as well?

Ans: Yes, for the merchants not enabled for contactless payment acceptance, you can use this card for a normal dip or swipe transaction.

7. Could I be debited twice if I have more than one contactless card?

Ans: No, as contactless readers will only communicate with one card at a time. If the shop's reader finds more than one contactless card in your wallet or purse, you will be asked to select one card to pay.

8. Could I unknowingly have made a purchase if I walk past the reader?

Ans: No. Your card has to be waved within 4 cm of the card reader for more than half a second and the retailer must have first entered the amount for you to approve. Terminals can only process one payment transaction at a time, therefore reducing transaction errors.

9. Is there any difference in the process for ATM and Internet transactions for the CASHBACK SBI Card?

Ans: There is no difference in transaction process for ATM or any Card not present transactions including internet transactions. For ATM transactions you need to enter the PIN and for Internet transaction you need to enter your 3D secure PIN or OTP.

10. How can I earn Cashback?

Ans: You can earn Cashback by making online and offline (Point of Sale) transactions using your CASHBACK SBI Card. For details, please see the cardholder T&Cs.

11. How much Cashback can I earn?

Ans: You can earn card cashback of 5% on online transactions and 1% on offline transactions. For exclusions and other details, please refer the cardholder Terms & Conditions document on sbicard.com

12. Is there a limit to the Cashback that I can earn?

Ans: Maximum Card Cashback that can be earned on online and offline spends in a statement cycle will be capped at ₹5,000. Post reaching the capped limit of ₹5,000, spends with CASHBACK SBI Card for that statement month will not earn any CASHBACK.

For example: If your statement generation date is 11th July, the transactions posted from 12th June to 11th July will be considered under this statement cycle and all eligible online transactions during this period will accrue 5% Cashback and all eligible offline transactions will accrue 1% Cashback. The maximum card cashback that can be earned cumulative of online and offline spends is Rs. 5,000. Within the same statement period, all transactions posted after reaching the cashback limit of ₹5,000 will not accrue any cashback till 11th July.

Note: Card Cashback is accrued on posting/settlement date of transaction and not on effective date of transaction and accordingly Card Cashback will get accrued on account as per applicable cashback structure at the time of transaction posting.

13. My cashback for current statement shows negative balance. What does it mean?

Ans: Your Cashback will be reversed in case of purchase cancellations, reversals and returns. The reversal amount for such transactions will be adjusted/debited in your monthly statement.

**For instance:** An online transaction posted on 10th June of ₹1,00,000 would be eligible for a Card Cashback of 5% i.e. ₹5,000, assuming the statement was generated on 11th June. In that case, the Card Cashback of ₹5000 will be posted to your account on 13th June.

Suppose on 15th June, you returned the item. Then the cashback of ₹5000 will be reversed due to purchase return and the same will be adjusted/debited in your next monthly statement.

14. What do I have to do to receive the earned Cashback?

Ans: The Card Cashback will be automatically credited to your SBI Card account and will reflect in your monthly statement.

15. When will I receive Cashback?

Ans: Card Cashback will be posted within two working days of the statement generation of your respective cycle.

16. Where can I see the earned Cashback?

Ans: You can log in to SBI Card Website or SBI Card Mobile app to check the same.

17. Will I earn Card Cashback on fuel spends?

Ans: Cashback is not applicable on fuel spends. However, you will receive get1% Fuel Surcharge Waiver across all Petrol Pumps in India on fuel transaction amount ranging from ₹500 to ₹3,000. Maximum surcharge waiver of ₹100 per billing statement, per credit card account is applicable. For further details, please refer the cardholder TnCs.

18. What will happen to my Card Cashback if I switch to other SBI credit card?

Ans: In case you flip/transfer your CASHBACK SBI Card to another SBI Card, all the Card Cashback earned by you will be automatically posted to your SBI Card account within two working days of the transfer.

19. What will happen to my reward points if I transfer to CASHBACK SBI card from any other SBI Card?

Ans: In case you flip/transfer your existing credit card to CASHBACK SBI Card, all the reward points accrued and not redeemed on existing card would expire immediately upon flipping / transfer.

Kindly redeem your reward points before you flip/transfer to Cashback SBI Card.

20. What will happen to my earned Card Cashback in case of replacement or renewal of my card?

Ans: There is no impact on the earned cashback in case of replacement or renewal of your CASHBACK SBI Card

21. Will my Card Cashback expire?

Ans: Your Card Cashback does not expire. The card cashback earned by you is credited to your SBI Card account within two working days of Card statement generation and is adjusted automatically in your next statement.

While you are empowered to use your credit card the way you wish to, it is best to use it responsibly. As credit card mismanagement is on the rise various financial institutions in the country have set up CIBIL, a body to monitor credit usage and safeguard the interests of member banks and financial institutions. Here is how an ideal credit cycle works:

## WHAT IS CREDIT INFORMATION BUREAU INDIA LIMITED (CIBIL)?

CIBIL is India's first credit information bureau established in 2004. It is a repository of information which contains the credit history of all borrowers CIBIL's members include all leading banks, financial institutions, non-banking financial companies, housing finance companies, state financial corporations and credit card companies.

## **WHAT IS A CREDIT INFORMATION REPORT?**

A Credit Information Report (CIR) is a factual record of a borrower's credit payment history compiled from information received from different credit grantors. Its purpose is to help Banks & Financial Institutions make informed lending decisions - quickly and objectively.

## **HOW DOES THE CREDIT INFORMATION REPORT IMPACT ME?**

When you approach the Banks & Financial Institutions for credit, your application will be evaluated on the basis of your past payment history, existing credit lines and other factors such as income and security. A good past payment history may lead to credit being granted faster and on better terms.

On the other hand, a poor past payment record indicate past delinquency and can lead to denial of credit or extremely expensive credit.

Therefore prudent credit management and financial discipline is a must to ensure a good credit history for enabling you for smooth and faster access to affordable credit in the future.

## **HOW DO I IMPROVE MY CREDIT RECORD?**

- Make at least the minimum amount due on time each month. On time payments will have the most positive significant impact on your credit record.
- Maintain affordable & reasonable levels of credit
- Limit the number of credit cards that you hold. Maintaining a large number of cards can hurt your credit history.
- Do not use your credit card such that your outstanding is very close to your credit limit as this can adversely affect your credit rating.

## HOW CAN YOU MAINTAIN A GOOD CREDIT HISTORY?

- 2.2 The Card is the property of SBICPSL and must be surrendered to SBICPSL on request. The Cardholder must not permit any other person to use the Card and should safeguard it from misuse by retaining it under his/her personal control at all times.
- 2.3 Each Cardholder may be issued a personal identification number or a password (PIN) to enable use of the Card for accessing his/her Card Account on the ATM and Internet and also for availing any privilege, benefit or service that may be offered by SBICPSL on the Card. The PIN will be communicated to the Cardholder entirely at his/her risk, who shall not disclose the PIN to any person and shall take

all possible care to avoid its discovery by any person. The Cardholder shall be liable for all transactions made with the use of the PIN, whether with or without the knowledge of the Cardholder.

SBICPSL reserves the right to refuse any transactions if it believes that the PIN is being misused or being used without appropriate authorisation.

- 2.4 The Card is valid up to the last day of the month of the year indicated on the face of the Card unless cancelled earlier. Upon expiry or earlier cancellation, the Card may be renewed or reinstated at the sole discretion of SBICPSL. On expiry, the Card must be destroyed by cutting it in half diagonally.
- 2.5 A Joining Fee at the prevailing rate will be levied on opening of the Card Account. An Annual Fee at the prevailing rate will be levied upon opening of the Card Account and then annually during the month in which the Card Account was originally opened. An Annual Additional Card Fee will also be levied for each Additional Card on the Card Account at the prevailing rate. The Joining and Annual Fee(s) are subject to change at the discretion of SBICPSL and are not refundable.
- 2.6 SBICPSL may, based on the Primary Cardholder's written request, issue Additional Cards to individuals nominated by the Primary Cardholder who shall be unconditionally bound by this Agreement.
- 2.7 The Primary Cardholder shall be fully liable to SBICPSL for all the Charges on his/her Card and also for those incurred by the Additional Cardholders. The Additional Cardholders shall be jointly and severally liable to SBICPSL for all the Charges even though the monthly statement of account may be sent only to the Primary Cardholder. The Primary Cardholder may at any time request cancellation of any Additional Card(s) but will continue to remain liable for any Charges on such Additional Card(s).

### **3. USE OF THE CARD**

- 3.1 The Card is valid for use in India and internationally as per usage restrictions, entitlements and other conditions stipulated by Reserve Bank of India ("RBI") or any other Government authority from time to time.
- 3.2 The Card is not valid for payment in foreign exchange in Nepal and Bhutan. The currency of transaction on the Card in Nepal and Bhutan shall be the local currency or Indian Rupee.
- 3.3 The Cardholder (including the Additional Cardholder) shall strictly comply with all requirements of the foreign exchange control/management regulations issued by RBI from time to time and in the event of non-compliance, the Cardholder will be liable for action under the applicable exchange control/management regulations. Moreover, the Cardholder may be debarred from holding the Card at the instance of RBI or SBICPSL.
- 3.4 Use of the Card at Merchant Establishments will be limited by the credit limit assigned to each Card Account by SBICPSL from time to time. In case of Additional Cards issued by SBICPSL, the extent of use of all Cards so issued will be limited by the Card Account's credit limit. The Outstanding on the Card Account must not exceed the credit limit at any time. In the event of breach of this provision, the Cardholder will be charged an over limit fee at the prevailing rate. The Cardholder must repay the excess immediately. The over limit fee is subject to change at the discretion of SBICPSL. The credit limit may be revised from time to time at the discretion of SBICPSL.
- 3.5 SBICPSL may, at any time without prior notice, refuse authorisation for a Charge incurred at a Merchant Establishment, and/or restrict or defer the Cardholder's ability to use the Card and/or suspend or cancel the Card and/or repossess (directly or through a Merchant Establishment or any other third party) the Card if it reasonably believes that it is necessary to do so for proper management of credit or business risk or if the Card or the Card Account is being or likely to be misused or if the Cardholder is in violation of the exchange control/management regulations or any other applicable law or regulation.
- 3.6 The Card may be used for personal purposes and for bona fide business expenses.

- 3.7 The Cardholder shall ensure that he/she maintains a detailed record of his/her transactions on the Internet. SBICPSL is not obliged to make any independent verification with regard to order details provided by the Cardholder and shall be entitled to rely on the details submitted by the Cardholder on the Internet.
- 3.8 Some transactions may attract a service charge, in addition to the amount of the Charge, at certain Merchant Establishments. SBICPSL may also levy charges for collection of cheques, maintenance of the Card Accounts, and for other services that may be rendered to the Cardholder from time to time.
- 3.9 The Cardholder must sign and collect the Charge slip, Cash Advance Slip or Mail Order Coupon at the time of incurring the Charge. Failure to sign a charge slip will not avoid liability for the Charges. The Cardholder must retain his/her own copy of the charge slips. Copies of charge slips will not normally be provided by SBICPSL. However, at its discretion, and upon customer request, SBICPSL may provide copies thereof subject to an additional charge.
- 3.10 In relation to Charges on account of mail order or telephone or electronic commerce (e.g. on the Internet) where a charge slip or voucher may not be available for signature, the Cardholder accepts that in the event of any dispute regarding the authenticity or validity of such a Charge, the Cardholder will first clear his/her Outstanding on the Card and then endeavour to resolve the dispute directly with the concerned Merchant Establishment.
- 3.11 Any charge slip or other payment requisition (electronic or otherwise) received from a Merchant Establishment or any intermediary by SBICPSL for payment shall be conclusive proof that the amount recorded on such charge slip or other requisition was properly incurred by the use of the Card by the Cardholder. Should the Cardholder choose to disagree with a Charge indicated in the monthly statement of account, the same should be communicated to SBICPSL within 10 (ten) days of the statement date, failing which it would be construed that all Charges and the monthly statement of account are entirely in order.
- 3.12 You agree that an electronic record or printout of an electronic record or a copy produced from a microfilm or a scanned /digital image of any document or Charge relating to your Card / Card Account with SBICPSL or produced from data received by SBICPSL electronically from the Merchant Establishment or from you or any intermediary, shall be conclusive evidence of that document or Charge for any purpose.
- 3.13 SBICPSL will not be responsible if any Merchant Establishment refuses to accept the Card or is unable to transact on the Card or levies a surcharge on the Card. However, the Cardholder should notify SBICPSL of this complaint. SBICPSL is not responsible or liable for any defect or deficiency in respect of goods and services charged to the Card. Any dispute should be settled directly by the Cardholder with the Merchant Establishment and failure to do so will not relieve the Cardholder of any obligations to SBICPSL. The existence of a claim or dispute shall not relieve the Cardholder of his/her obligation to pay all Charges and the Cardholder agrees to pay promptly such Charges, notwithstanding any dispute or claim whatsoever. No claim by the Cardholder against a Merchant Establishment will be the subject of a set-off or counterclaim against SBICPSL.
- 3.14 SBICPSL may, at its sole discretion, permit from time to time, its Cardholder to transfer his/her Outstanding balances ("Balance Transfer/s") on other credit cards and credit facilities availed by him/her from other companies and financial institutions. Balance Transfers will not be accepted from overdue status accounts or where the credit limit has been exceeded or which are greater than the Outstanding balances on such other credit cards and will be limited to such percentage of the available credit limit on the Card as may be determined by SBICPSL. Balance Transfer requests will also not be accepted from other CASHBACK SBI Card accounts. By choosing to avail of the Balance Transfer

facility, the Cardholder authorizes SBICPSL to make payments to companies/financial institutions so designated. SBICPSL, however, reserves its absolute right to refuse any Balance Transfer request. The Cardholder must continue to meet his/her obligations in respect of his/her existing credit facilities, balances of which are the subject of Transfer hereunder, until he/she has received a written intimation from SBICPSL that the Balance Transfer request has been accepted and payments have been made to the companies/financial institutions so designated. SBICPSL will not be liable for any new charges, overdue payments or interests incurred on other credit cards/facilities. SBICPSL may, in its discretion, stipulate additional terms and conditions from time to time.

- 3.15 The Cardholder acknowledges that the privileges, benefits and facilities attached to the Card may be suspended/withdrawn by SBICPSL at its discretion at any time without liability to the Cardholder. Termination of this Cardholder Agreement shall result automatically in the termination of such privileges, benefits and facilities. SBICPSL shall not be liable in any way to the Cardholder for any defect or deficiency in any privileges, benefits or facilities provided by third party suppliers or Merchant Establishments.
- 3.16 A purchase and a cancellation of goods/services, e.g. air/rail tickets, are two separate transactions. The Cardholder must pay for the purchase transaction as it appears on the statement to avoid incurring finance charges or fees. Credit of refund on account of cancellation will be made to the Card Account (less cancellation charges) only when received from the Merchant Establishment. No cash refund will be given to the Cardholder. If a credit is not posted to the Card Account within a reasonable time, the Cardholder must notify SBICPSL within 30 (thirty) days of cancellation.
- 3.17 The onus of complying with the foreign exchange control/management regulations, baggage rules, EXIM Policy and other applicable laws, as amended from time to time, is solely that of the Cardholder and the Cardholder shall indemnify and hold harmless SBICPSL from any consequence, loss, damage, expense or any other financial charge that SBICPSL may incur and/or suffer on account of the Cardholder's contravention of any applicable law and regulation. Non-compliance with the regulations shall not be a ground for the Cardholder to delay or refuse the amounts payable to SBICPSL. In case the Card is suspended/cancelled, whether on account of non-compliance with exchange control/management regulations or otherwise, SBICPSL will not be responsible for any attempted usage of the Card, whether in India or abroad, resulting in the Card being dishonoured and the concerned Merchant Establishment would be entitled to pick up the Card on presentation.

#### **4. CASH ADVANCES**

The Cardholder may be permitted to obtain a Cash Advance from designated branches of State Bank of India, Automated Teller Machines (ATMs) and/or other permitted establishments subject to applicable terms and requirements imposed by SBICPSL from time to time. A minimum and/or maximum amount of Cash Advance that can be accessed on the Card in a single charge or in a single business day may be specified by SBICPSL periodically. The total amount that will be available for cash withdrawal at any point in time will be governed by cash limits set up periodically which will be disclosed to the Cardholder in the monthly statement of account. A cash advance fee will be levied on each such Charge and will be billed to the Cardholder.

#### **5. INSURANCE BENEFITS**

- 5.1 Insurance is optional and a subject matter of solicitation. In the event any insurance cover or benefit of any insurance cover is made available to the Cardholder by an insurance company at the request of SBICPSL, the Cardholder specifically acknowledges that SBICPSL will not be liable in any manner whatsoever and that the insurance company will be solely liable for all claims thereunder. The Cardholder shall not hold SBICPSL responsible for any matter arising out of or in connection with such

insurance cover, whether for or in respect of any deficiency or defect in such insurance cover. Recovery or payment of compensation, processing or settlement of claims or any other matter in relation to the insurance cover shall be addressed to and resolved directly by the Cardholder with the insurance company.

- 5.2 The Cardholder further acknowledges that the insurance cover so provided will be available to the Cardholder only as per the terms of the relevant insurance policy in force and only so long as the Card Account is maintained in good standing. On the Card being suspended or cancelled for whatever reason, the benefit of such insurance cover shall automatically and ipso facto cease to be available from the date of suspension/cancellation of the Card Account.
- 5.3 The Cardholder hereby authorizes SBICPSL to require the insurance company to settle any Outstanding on his/her Card Account before payment of any compensation or claim to his/her heirs, nominees, beneficiaries, etc., under the insurance policy.

Additionally, the Cardholder may also access his/her Card Account on the Internet, as and when so enabled by SBICPSL, at its website by using his/her PIN to check his/her statement of account.

If the Cardholder experiences any difficulty in accessing the electronically delivered statement of account, he/she shall promptly inform SBICPSL. The Cardholder agrees to access his/her aforesaid e-mail account at regular intervals of time.

The Cardholder will not hold SBICPSL responsible for his/her not having access, for any reason whatsoever, to the information and statements of account sent to him/her via e-mail. Failure on the part of the Cardholder to receive the statement of account electronically (by e-mail or through access to the Card Account on the Internet) will not avoid his/her liability for the Charges incurred on the Card and the Cardholder shall be liable to make payment for the Charges within 30 days of incurring the Charge on the basis of his/her own record of the transaction or earlier if requested by SBICPSL.

- 6.2 SBICPSL will debit the Card Account for all the Charges incurred by use of the Card and provided for in the Agreement. The Cardholder agrees and hereby authorises SBICPSL to convert Charges in respect of International Transactions incurred in foreign currency to Indian Rupees at the applicable foreign exchange rates plus any service charges. SBICPSL will credit the Card Account for all payments made by the Cardholder to SBICPSL and also for any credit received from the Merchant Establishments in favour of the Cardholder. If the Outstanding balance on the Card Account is not paid in full by its due date, a finance charge will be levied on any new purchase (and any related debited charge) from the day on which the purchase (and any related debited charge) is debited to the Card Account and on the Outstanding account balance on the Card Account from the first day of the last statement period. SBICPSL will charge interest on a Cash Advance from the day on which the Cash Advance is debited to the Card Account.
- (b) SBICPSL will ordinarily levy a finance charge on the Purchase Balance Outstanding on the Card Account on a daily basis by applying its current daily percentage rate to the amount of the Purchase Balance Outstanding at the end of each day. SBICPSL will levy a finance charge on Cash Advance balances on a daily basis by applying its current daily percentage rate to the amount of the Cash Advance balance at the end of each day.
- (c) The finance charge as above, will continue to be payable after termination of this Agreement or closure of the Card Account till Outstanding on the Card Account is cleared in full.
- (d) SBICPSL may at any time, under intimation to the Cardholder, vary the finance charge to take into account prevailing interest rates, market forces and credit and business risks.

- b) The cashbacks will be processed according to the following table:

Spends	Cashback
Online Spends	5%
Offline Spends	1%

- c) Online Spends will be identified basis the online indicators sent by Card Networks (VISA, Rupay. Etc.) and acquirer. Any transaction not categorized as online would be termed as offline.

The MCCs are defined by the networks and are subjected to change basis their discretion and such changes shall be implemented basis communication from the Networks without any requirement for intimation/information to the customers.

- d) Cashback shall not be earned for following spends/transactions on the card,
- Any purchases at petrol pumps/service stations (MCCs: 5172, 5541, 5542, 5983)
  - Balance transfers, Balance Transfer on EMI's
  - Cash advances
  - Financial charges (e.g., late payment fee, dishonored cheque charges, service fee, transaction charges etc.)

- Disputed transactions
- Encash
- ATM Withdrawals
- E wallet loading transactions identified under MCCs 6540 and 6541
- Payments towards Rent/property management under MCCs 6513 and 7349
- Jewelry transactions identified under MCCs 5051, 5094, 7631, 5944
- School and Educational Services transactions identified under MCCs 5111, 5192, 5942, 5943, 8211, 8220, 8241, 8244, 8249, 8299, 8351
- Utility transactions identified under MCCs 4900, 4814, 4816, 4899, 9399

- Payments made using Standing Instructions / Fetch and Pay on SBI Card platforms (Website / Mobile App / Chatbot ILA)
- Flexipay Transactions
- Merchant EMI i.e. EMI's availed at the time of purchase at Merchant establishment or websites. (Card Cashback reversed for Flexipay/Merchant EMI will be credited back to account only when the respective Flexipay/Merchant EMI has been successfully cancelled by the cardholder. In the event of Foreclosure of Flexipay/Merchant EMI, no Card Cashback will be credited back in any scenario)
- For instance, if the Cardholder spends 45,000 in a billing statement month with the following break up of spends.  
 Online spends: ₹35,000 | Offline spends: ₹10,000  
 Of the said Online Spends, ₹10,000 was an EMI purchase.  
 Thus, the total spends eligible for cashback would only be ₹10,000 + ₹35,000 – ₹10,000 (EMI transaction) = ₹35,000. The cashback for the billing statement month in example would be calculated as follows:  
 5% of ₹25,000 = ₹1,250  
 1% of ₹10,000 = ₹100

Thus, the total cashback for the example would be ₹1250+100 = ₹1,350

All identification of eligible and non-eligible transactions regarding Card Cashback by SBICPL are on best effort basis and may be subject to technical limitations. Further, MCCs are defined by network and are subject to change basis network discretion.

SBI Card may enquire with cardholder over phone or through any other means of formal communication and seek details, information, proofs, etc., about the Credit Card transactions, pattern of usage, etc. Non- satisfactory responses or no responses from the Cardholder may lead to blocking/closure of the Credit Card by SBI Card.
- q) Use of the Card at Merchant Establishment will be limited by the credit limit assigned to each Card Account.
- r) SBI Card may, at any time without prior notice, or stating any reason whatsoever, refuse authorization for a Charge at a Merchant Establishment, and/or restrict or defer the Card member's ability to use the Card and/or suspend or cancel the Card. SBI Card through the ATM, Merchant Establishment, by itself may repossess/retain the Credit Card, if it reasonably believes that it is necessary to do so for proper management of credit or business risk, or if the Card or Card Account is being misused or likely to be misused.
- s) Card Cashback is not applicable on transactions less than ₹100.
- t) SBI Card may temporarily prohibit any cardholder from earning cashback or using any features of the program basis its internal policies and requirements.
