

SBI CARD

An Overview

A leading issuer of credit cards in India, SBI Card is a joint venture between State Bank of India, the country's oldest and largest bank, and The Carlyle Group, one of the world's leading alternative asset managers. The Carlyle Group holds 26% while State Bank of India holds 74% stake in the joint venture.

SBI Card offers Indian consumers access to a wide range of world-class, value-added payment products and services. With a customer base of over 7 million, SBI Card operates through a footprint of more than 100 cities in India. SBI Card is the second largest credit card issuer in India, at present.

Our Brand Promise - Make Life Simple

The SBI Card brand is based on the value proposition of 'Make Life Simple'. The proposition manifests in SBI Card's continuous efforts to simplify the lives of its customers, employees and other business stakeholders. SBI Card's innovative products and services, along with its commitment towards being a responsible corporate citizen, form the framework of delivering on this promise consistently. Customer centricity, supported by the values of trust and transparency, is core to SBI Card's operations.

Awards and Recognitions

At SBI Card, it is our constant endeavor to 'Make life simple' for our customers. Our efforts and expertise in the areas of customer services and customer engagement have been recognized and appreciated nationally. Some of the awards to our credit are:
