A fine dine experience

Cellar Door Hospitality with SBI Card launches the year's first edition of SBI Card Restaurant Week. The event will be held from April 13 to 22, simultaneously across Bengaluru, Chennai, Delhi, Kolkata and Mumbai featuring 80 of the country's finest restaurants. Reservations go live on April 11 at 12 noon exclusively on www.insider.in.

The SBI Card Restaurant Week is a pan-India culinary event spanning 10 days, across five cities and gives discerning food enthusiasts the opportunity to dine at some of India's finest restaurants at a fraction of a la carte rates.

A fee of ₹62 per person should be paid online at the time of booking and the customer can pay for the meal directly at the restaurant.

This edition will once again feature Restaurant Week Signature Options over and above an extensive hand-picked menu, giving diners the option of experiencing a restaurant's signature dish at an incremental cost.
