SBI CARD PAY FOR CONTACTLESS MOBILE PAYMENTS

LUCKNOW: SBI Card, one of the country's leading credit card issuers, announced the launch of SBI Card Pay, a payment feature based on Host Card Emulation (HCE) technology for faster, convenient and more secure card payments using mobile phones. Using SBI Card Pay, customers can make contactless payments at Near Field Communication (NFC) enabled point of sale terminals with just one tap of their mobiles, without using the physical credit card or entering any PIN, said Hardayal Prasad, MD & CEO, SBI Card.
