Credit card to double up as your Metro key

TIMES NEWS NETWORK

New Delhi: Delhi Metro Rail Corporation on Friday launched a multipurpose credit card that can be used as a travel smart card with auto top-up facility in association with SBI Card.

“The multipurpose Delhi Metro SBI Card will enable commuters to use it as a smart card with auto-top up facility whenever the balance goes below Rs100. The credit card facility will automatically recharge a top up value of Rs 200 from the user’s linked card or bank account,” a DMRC spokesperson said, adding that this card could also be used for all regular credit card transactions. “We believe the new card will serve as an es-
