SBI Card, India's largest credit card issuer, has introduced the KrisFlyer SBI Card in collaboration with Singapore Airlines (SIA).

The KrisFlyer SBI Card is designed to cater to premium travelers, offering exclusive perks with the SIA Group, including Singapore Airlines, Scoot, KrisShop.com, Kris+ app, and Pelago.

The card comes in two variants: KrisFlyer SBI Card and KrisFlyer SBI Card Apex.

The KrisFlyer SBI Card offers accelerated rewards and milestone benefits on travel spending. New users receive 3,000 KrisFlyer miles as a welcome bonus for the standard card, while KrisFlyer SBI Card Apex users earn 10,000 KrisFlyer miles.

Cardholders can accumulate up to 80,000 miles annually, which can be redeemed for flights, upgrades, and shopping on KrisShop.com.

Customers can apply for the card online via SBI Card's website or through retail kiosks.

The KrisFlyer SBI Card offers enhanced mileage earning opportunities.

Cardholders who spend ₹2.5 lakh on Singapore Airlines using the standard card will be upgraded to KrisFlyer Elite Silver, while Apex cardholders spending ₹7.5 lakh can reach KrisFlyer Elite Gold.

These upgraded memberships come with additional benefits like priority boarding, extra baggage allowance, and bonus miles.

Both cards offer complimentary domestic and international lounge visits, as well as a 1% fuel surcharge waiver.

Travel insurance is also included, with accidental death coverage of ₹1 crore for the KrisFlyer SBI Card and ₹3.5

crore for the Apex variant.

The joining fee for the KrisFlyer SBI Card is ₹2,999 plus taxes, while the Apex card costs ₹9,999 plus taxes.

These cards are available on the American Express and Mastercard platforms.
