

## Campaign rules

- On your first successful **mobile tap transaction** with **minimum transaction amount -INR200** made on a POS/ Card reader machine via your SBI Credit card added on Google pay, you get a guaranteed and instant cashback of INR 200 from Google Pay.
- Ensure you have **NFC turned “ON”** from your Android phone settings to use tap to pay with phone
- Ensure **Gpay** is set as **default** payment app in your phone settings
- Ensure your **Contactless** setting is turned **“ON”** in your SBI card app/netbanking.
- All **existing and new users** who have added a card on Gpay and did not make a tap in last 365 days are eligible (**User should have not done any tap transaction in the last 365 days.**)
- Country of payment - India
- Campaign start date- Mar 1, 2024
- Offer Expiry date – 31<sup>st</sup> Dec, 2024
- Campaign subject to these rules and the terms and conditions below

## Terms & conditions

- **Cashback fulfillment-** Cashback will be credited **immediately** after successful completion of first tap transaction from card added on Gpay.
- **Tap Activation** cashback would be given immediately once your first eligible transaction is successful. Customers can avail the offer **only once** on first tap only during the offer period.
- Cashback earned will be added to your UPI-enabled bank account linked to Google Pay. Your cashback will expire after 45 days if you do not have an account linked, or if there are issues with your linked UPI account, which is preventing cashback from being added, your reward will be deemed to be forfeited and will no longer be available to you.
- You can earn up to a total of ₹9,000 per financial year (1 April to 31 March), across all Google Pay offers. Anyone who has **already earned** ₹9,000 will not be eligible or receive the cashback.
- You can only use one set of Google Pay credentials that has not been previously registered with Google Pay.
- Employees, interns, contractors, and officeholders of Google LLC, their immediate families, Google’s affiliates and subsidiaries, and any representatives or agencies of Google or other persons professionally connected with the campaign, are not eligible to participate.
